

JOHN AND KRISTIN'S WEDDING TOAST

John and Kristin,

May the love that you share for one another be as a shining beacon to the world around you, like a lighthouse, showing the shores of true love and devotion
May your commitment to one another, give hope to a society that seeks stability
May the peace that reigns in your lives, be a rock for which those around you can rely on

May your joy of life bring a smile to all with whom you meet
May your walk with God, grow and strengthen, day by day, causing the world around you to praise Him

May your romance for each other, ever burn passionately for each other
May you find yourself ever together as the grace of old age sets in
May the blessing of prosperity be upon your house, for your cup runs over
May the patter of many little feet, bring the sounds of laughter and fun to your home

May you cultivate friends who will bring out in you the character and abilities to reach as high as you can

May you take the time to invest in yourselves, developing spirit, soul and mind, so that you will be equipped to run the race that is before you

Today, we as your friends and family, stand beside and behind you to encourage and bless you as you start your new life's journey together. We are so proud of you both and look forward to seeing the wonderful things that together you both will accomplish.

Jeremiah 29:11 "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future."
